Upgrade Your Child Advocacy Software

Empower your child advocacy center with cutting-edge technology. PlanStreet streamlines processes and allows you to manage cases, programs, and reporting in one place.

Who is PlanStreet?

We are leading software development with a core focus on delivering impactful case management solutions. Our cutting-edge solutions are designed to make life easier, more efficient, and more productive.

By providing an intuitive and comprehensive platform, PlanStreet ensures that child advocacy professionals can efficiently manage cases, collaborate seamlessly, and access vital information securely.

Why Choose Us?

Automate Processes & Workflows

Seamlessly automate workflows, alleviating stress by streamlining processes and enhancing overall efficiency.

Configurable & Scalable

Our software solution is crafted for scalability, catering to the growth and evolving needs of both your team and organization.

Mobile App for On-the-Go Efficiency

Our mobile app allows you assist clients and work on cases any time, any where.

Other Features

Customizable Forms

Employ a multi-stage creation process to design and implement custom forms tailored to the specific requirements of your team and clients.

Tailor-Made Reporting

Create custom and robust reports to share with both internal and external stakeholders.

Enhanced Case Notes

Eradicate the challenges of paper-based systems, minimize administrative burdens, and guarantee the security and convenient accessibility of client records.

Centralize Data

Seamlessly streamline processes, consolidate diverse data sources into one central location for enhanced efficiency and comprehensive management.
